I WILL SHOW YOU THE WAY TO HEAVEN

TERM 1

APRIL 5 2017

Number 5

Dear Parents and Carers,

It has been a great start to a New Year!

We have had an amazingly busy term. We began by welcoming new students and our new kindergarten children and families to SJV's. We had our Parent Information Night and Catholic Schools' Week. Coming together as a community of faith, through beautiful prayer experiences in the classrooms, open classrooms, and joining together for our Welcome Assembly, led by Year 6 and Kindergarten, and our family morning tea picnic. We have joined with our Parish community, enriching our faith by participating in the Parish Mission, weekly masses, and Ash Wednesday to begin our Lenten journey.

This community spirit continued to shine when our Primary students participated with great sportsmanship in the key Sporting events of the Primary Swimming Carnival and Primary Cross Country. During these events the students displayed courage, determination and the ability to have a great time. We are extremely grateful to Mrs Hancock for her work in planning and running these successful sporting events.

In addition, Year 2 visited Elizabeth Farm, Year 5 had their excursion to Penrith Lakes, our Student Council attended the GRIP Student Leaders' Conference, and 86 of our Primary students represented SJV's at the Captivate Rehearsal at Delany College Granville. Some of our Year 6 students represented our SJV's community with pride at the Sub Branch meeting at Blacktown RSL presenting their hard work and research; "Answering the Call from Blacktown and Beyond". All of our students and staff displayed their best smiles in our School photos. And now we finish a great term by celebrating the very significant time of Holy Week, with each class participating in a very special prayer experience in the library.

WOW! What a term! As you can see it has been an extremely exciting, fun-filled and rewarding Term One. The children have all settled in well into their new classes. They have worked very hard during the term, and they have been very proud to share their learning. We would like to congratulate them for their great work ethic, many successes, enthusiastic participation and determination to do their best!

These achievements are not possible without the support of our dedicated hard working staff who go above and beyond to ensure the students experience new and motivating learning experiences that cater for their needs. We are extremely grateful to all of our staff and thank them for their continued efforts to ensure our students are provided with rich, quality learning experiences that stimulate critical thinking skills, and develop their knowledge and understandings within all areas of the curriculum, within positive and caring learning environments.

We would like to take this opportunity to thank you, our parents, for your

on-going support that you have given to both, your child/children, and to our SJV's community. We believe that open lines of communication between parents, students, and staff are key to promoting an effective learning environment. As we continue to work together we will be able to build stronger relationships with you and your child that allow us, in partnership, to give our very all to teach, inspire, motivate, and encourage your child/children to achieve in all aspects of learning. Thank you for your commitment to your child's education. Together we can make a difference and achieve wonderful things!

We also wish to express our sincere thanks to our Parents and Friends Association for their continued generosity of time and resources. They have worked extremely hard this term to provide our students with many extra treats from Fruit Frenzy Friday to ice blocks on our Cross Country day, and of course the Easter raffle, that will be drawn today. Our P & F have been a strong support not only with fundraising, but also in welcoming new families, as they did at the P&F Tea and Tissues for our Kindergarten parents. This term we welcomed new members to our P & F committee, and to our meetings. It has been very promising to see extra parents coming to our meetings and offering their ideas and giving up their time to assist. Anyone is welcome to attend our P & F meetings, the more the merrier!

As Term 1 draws to a close we would like to end by wishing all families a peaceful and relaxing break. We hope you are all able to enjoy some special time with your children over the next two weeks, especially as we enter into the powerful and greatest time of our Church year, Holy Week. During this time we remember the true meaning of Easter and make that journey with Christ from death to New Life. We move from our Lenten practises of prayers, fasting, and almsgiving toward a joyous celebration, in the Risen Christ.

Holy Week commemorates Jesus' triumphant entry into Jerusalem; his gift of the Eucharist; and his suffering, death, and Resurrection. It is a time of final preparations and great anticipation. Palm Sunday is our doorway into the holiest week of the Church year. While the three solemn liturgies of Holy Thursday, Good Friday, and Holy Saturday (Easter Vigil) - the Triduum, allow us to be truly present and grow in faith and closer to God through the sacrifices of His Son Jesus.

I hope you were able to join us this week for our special Holy Week prayer experience. It is a wonderful way to end the term, highlighting God's unconditional love for us made visible through the death and resurrection of his only Son, Jesus. May we together follow trustfully with Jesus Christ on the way to the Cross, so that we may experience personally and profoundly the joy and happiness of Easter, and share fully with Him in the joy of His resurrection.

During this next week let us continue to unite through prayer, wherever we may be, to reflect on and act on these events of Holy Week. May we also keep in our prayers and thoughts those that have been impacted by the devastation of Cyclone Debbie, and for those who continue to be affected by the destructive heavy rain and floods.

While on the cross in the midst of suffering and agony Jesus calls out to his Father:

Father, forgive them for they do not know what they are doing.

Luke 23:34

Jesus' forgiveness has no limits:

In knowing that Jesus suffered, died and rose from the dead for us;

How can we respond in our own thoughts and actions to this gospel message?

*May we be immersed in the mercy of Christ
so we may forgive as Christ has forgiven.*

May your Holy Week be blessed with the abiding presence of God's great gift of Love in Jesus, so that your Easter may resound with Alleluias!

Wishing you a safe and happy holiday,

Michelle Smith
Assistant Principal

Project Compassion

Caritas Australia's annual Lenten fundraising and awareness-raising appeal is an extraordinary, ongoing demonstration of the faith, love and generosity of the Catholic community and caring supporters throughout Australia to help end poverty, promote justice and uphold dignity.

This year this has been successfully promoted through the initiative and care of our Year 6 student council members.

The Student Council would like to thank all students from Kindergarten to Year 6 for their kind donations. As a school we have raised a total of \$273.05 to date. This was a great achievement for our school and we are all so happy and very proud. Thank you once again for donating a coin towards project compassion. Your efforts will go toward helping the world's poorest communities.

Year 5 – Penrith Lakes Excursion

On Thursday 30th March, Year 5 students, Mrs Rose, Mrs Hastings, Mrs Smith and Mr Rose went to Penrith Lakes to study how people effect the environment.

First we went on a tour around the establishment. We saw many forms of nature and some people rowing on the lake. We also saw some new houses and the education officer told us that these houses had water tanks under them to stop floods when it rained heavily. They also had many other features to protect the environment.

Afterwards, we participated in a water testing activity, where we tested the water from the Regatta Lake. Another activity we did was looking at different kinds of water bugs under a microscope. Even though it was a rainy, wet day we still had so much FUN!

School Uniform

Parents are reminded that students will be required to wear their winter uniform in Term Two. However, due to the unseasonal weather we are asking parents to use their discretion in deciding which uniform is best suited, summer or winter, during the first 5 weeks of Term Two. **It will be compulsory for all children to be wearing their full winter uniform from Monday 29th May, Week 6 of Term 2.**

Please ensure that your child wears a jacket to school as it becomes colder so that they are comfortable and don't get sick. **Also, please make sure that all items of clothing are clearly labelled with your child's name and class.** Often, there are many items that are lost but do not have a child's name on them. This makes it difficult to find and hand clothing back to the owner.

ANZAC Day Activities

On ANZAC Day we commemorate the sacrifices that men and women have made over the years, and especially remembering the first ANZACS that fought at Gallipoli and in various campaigns throughout World War 1. Their sacrifices have helped shape our Australian nation. It is a part of our heritage and is a tradition that helps form our Australian identity.

As a result of the research presented by our Year Six students to those in attendance at the Sub Branch meeting at Blacktown RSL, on Saturday 11th March, we have been invited to participate in the Blacktown RSL ANZAC Day Dawn Service. The Service will take place at Blacktown RSL on **Tuesday 25th April. If you would like to attend with your child as part of our SJV's school community please meet Mrs Smith at the top of Second Ave, Blacktown at 5am.**

The students will begin by participating in the march, and during the service two student representatives will lay a wreath on behalf of St John Vianney's. In addition, they will witness the candles they presented with their researched soldiers being lit. A true testament of what community is all about!

We encourage you to attend this special day of remembrance. **If you would like your child to participate in this dawn service please ensure that they wear their full summer uniform and are aware of the reverence required during all aspects of the ceremony.** It is a real tribute to the hard work of Mrs Kersivien, Mrs Rose, Mrs Hastings and all the Year Six students.

Mrs Kersivien has also prepared an '*ANZAC Awareness Afternoon*' for all our students to engage in together across the grades. They will be presented with various aspects of the ANZAC story and participate in a range of activities so that they are able to gain some insight into ANZAC Day and what it means to all of us as Australians. A special thank you to Mrs Kersivien for her many hours of preparation and dedication to this significant day in our Australian culture.

These experiences will then be drawn upon in our ANZAC Day Assembly, along with the research presented by the current Year 6 students; **"Answering the Call from Blacktown and Beyond". Please join with us at our school ANZAC Day Assembly on Friday at 9:30am in the MPR** as we gather as a school community to commemorate the sacrifices that men and women have made over the years, and especially remembering those soldiers whose names appear on the memorial at the front of the Blacktown RSL.

Please take some time on ANZAC Day itself to reflect with your children on those who served our country and how lucky we are to be living in a place that offers peace and safety.

NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for all students in **Years 3, 5, 7 and 9**. All students in these year levels are expected to participate in tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy.

NAPLAN is the measure through which the government, education authorities, schools, teachers and parents can determine whether or not our students are meeting important educational outcomes in literacy and numeracy. The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. They also provide schools, states and territories with information about how education programs are working and what areas need to be improved. NAPLAN tests are just **ONE** aspect of a school's assessment and reporting process; they do not replace the extensive ongoing assessments made by teachers about each student's performance.

This year the NAPLAN test will take place **in Week 3 of Term Two, on Tuesday 9th May, Wednesday 10th May and Thursday 11th May.**

Road Safety

Please be aware of how you drive your car around the school. The safety of our children is essential at all times. Parking in front of the school is not possible for every parent, so please park your car in an appropriate place and take a walk to either drop off or pick up your child. When your child is dismissed, take the time to walk safely back to your car with them.

Please note: Under no circumstances are parents to park their cars in the staff car park or use the area as a drop off or pick up zone. This is a dangerous practice as it is a congested area with many blind spots and a serious accident could occur.

TERM 2 - PUPIL FREE DAYS

During Term 2 there will be two pupil free days. These days are in place to support the on-going professional learning of our staff. **There will be no school for the children on these days.**

The first staff development day will on Monday 24th April. The focus of this day is Numeracy. Staff will be working together to refine the teaching and learning strategies that they use with the students to extend their mathematical thinking and problem solving skills in Multiplication and Division. **This means there will be no school on this day and students will return to school in Term 2 on Wednesday 26th April, after the Anzac Day public holiday.**

The second staff development day will in week 5 of Term 2, on Monday 22nd May. This day will be a Spiritual Formation day for the staff, with a focus on scripture. **This day will be conducted off-site, so there will be no staff member on school grounds on this day.**

School Maintenance

During the holidays SJV's will be undergoing some maintenance to address Work, Health and Safety issues that currently exist. You would have noticed the temporary fencing around the pond area. Work will begin to fix the pond fencing, to level the ground in the area and repair the uneven area of the handball courts. Also, down pipes, some drainage and all the trip hazards around the school grounds will be repaired. We look forward to a new look after the holiday break!
