I WILL SHOW YOU THE WAY TO HEAVEN

TERM 1

FEBRUARY 21 2018

Number 2

## **Dear Parents & Carers, Greetings!**

*Lent is a season of hope. It ends not with death but with rising from the dead.*

*Last Wednesday, Ash Wednesday, our students started their Lenten journey. Students in Years 3 to 6 attended the Ash Wednesday Parish Mass and our students in Kindergarten to Year 2 received the ashes in their classrooms.*

*We pray that our students will continue this journey with a sense of hope and with sincere and pure hearts. We encourage them to make some self sacrifice, pray daily, attend Mass and be aware of those who are more needy in the world.*

*At St John Vianney's we support **Caritas Australia** through **Project Compassion** and we encourage children to make some contributions for the poor. Each classroom has a Project Compassion box on their sacred space.*

### **Parent Information Evening**

*Many thanks to all the parents who attended the Parent Information evenings on Monday and Tuesday nights. It was wonderful to see so many interested parents in the various classrooms. I believe it is a great compliment to your child's teacher that you have taken time out from your own busy schedule to come along and hear about the learning they have planned for the students this year.*

*I extend my personal thanks to each of our dedicated, hard working teachers for preparing and facilitating these information sessions which provide an opportunity for parents and teachers to work together in supporting the students' learning.*

**Blessings to all!**  
**Georgina Cox**  
**Principal**

### **Project Compassion ~ First Week of Lent**

In Nepal, a Caritas Australia supported program has helped Janaki turn her life of poverty and disadvantage around. She is now running her own successful sewing business and has become a role model in her community.

**Please donate to Project Compassion 2018 and empower vulnerable young people like Janaki in Nepal to build a just future for themselves, their families and their communities.**

**A Just Future starts with your support!** You can donate through Project Compassion boxes/envelopes, visit [www.caritas.org.au/projectcompassion](http://www.caritas.org.au/projectcompassion) or phone 1800 024

## Religious Education News

### Catholic Schools Week

This year, St John Vianney's Parish School will join Catholic schools across NSW and the ACT to celebrate Catholic Schools Week from 4-10 March.

The theme for Catholic Schools Week 2018 is **'Every learner, every day: 'Transforming Learning.'**

Catholic Schools Week is about strengthening relationships between all those who have a stake in our schools – students, staff, families, priests, parishioners, and members of the wider community – by showcasing what happens in our school every day.

For that reason, we invite you and your family to join us for the following events:

### **CLASS PRAYER: Monday 5<sup>th</sup> March 2018 9:15am**

*Parents and friends are invited to join the students and their teachers for a **short special prayer in their classrooms.***

### **CATHOLIC SCHOOLS WEEK and WELCOME ASSEMBLY: Friday 9<sup>th</sup> March 2018 9:30am in the MPR**

*Each year it's always a joy to welcome new members to our school community. This year we welcome our new Kindergarten children and new students in Years 1-6.*

*We also welcome our new staff members:*

**Mr Simon Stennett  
Mrs Kim Otazu  
Mrs Mariette Asaad  
Mrs Anne Smith  
Mrs Jeana Balintec**

*We extend an invitation to all family and friends (especially our new families) to join us for this special celebration.*

***This will be followed by OPEN CLASSROOMS.*** You will have time to visit classrooms where your child can ***share their learning with you.***

***To conclude the morning's events you are invited to have a FAMILY PICNIC for MORNING TEA on the grass and tree areas.***

*Please bring a picnic blanket and morning tea for your family. Perhaps you could prepare and pack some special treats as a family in readiness for you family 'picnic recess'.*

***We look forward to celebrating these special events with you!***

## LIBRARY NEWS ~ HELPERS NEEDED!

Dear Parents, Grandparents, Family and Friends,

Each week our students borrow hundreds of books. In fact last year over 20,000 books were borrowed and returned from our school library. My role has changed this year and so now we are looking for helpers to return books to their shelves ready to be borrowed once again. We are hoping returns will be completed from **2-3pm Monday to Thursday**. **So if you have some time before you pick up your children maybe you could help in the library. Full training will be offered and a roster drawn up. If you are able to help can you let the ladies in the office know and what days would be suitable. The school will contact you to let you know when we will begin training.**

Thanks so much in advance,  
**Cheryl Kersivien**  
 Teacher-Librarian

## APPLICATION FOR EXTENDED LEAVE

Parents, as you know, it is very important that children attend school every day. Quite often leave is requested by parents for various reasons. While we understand that this may be necessary sometimes, it is not encouraged. **Every school day is important for every student.**

If you intend taking your child out of the school for **five days or more** you must make a formal application to the Principal in writing by completing the 'Application for Extended Leave' form which is available from the school office. The application must be **submitted at least 4 weeks prior to the expected leave** or earlier if possible.

**It is important for parents to know that, depending on circumstances, this leave may not be approved.** Each application will be considered on an individual basis and could depend on circumstances such as the intention for the leave, your child's attendance and the impact the leave may have on your child's academic progress.

These regulations are in place in all schools in the Parramatta Diocese to make sure that all students have the best opportunity to achieve to their full potential. We appreciate your support and understanding of these requirements.

*Mrs Georgina Cox – Principal*

**SUPERVISION** ~ Morning supervision starts from 8.30 am. I ask you to ensure that your child is not at school before 8.30 am as there is NO supervision before this time. School finishes at 3.00pm and children should be picked up promptly. Afternoon supervision in the amphitheatre finishes at 3.30pm. If you are running late to pick your child up, please ring the office so we can inform your child.

# LITERACY

## Literacy at St John Vianney's

### Our School Literacy Goal for 2018

Every year, each school in the Parramatta Diocese sets itself significant learning goals in Religion, Literacy and Numeracy. Continuing with the outstanding literacy growth that was seen in our school in 2017, we will be focusing this year on strengthening student proficiency in comprehension, and in particular inferred comprehension in non-fiction text. Inferred comprehension relates to comprehending what a text is conveying beneath the words. For example, we can get an understanding of character and their manner through the tone in which they talk, what they are dressed in and how they act: though the text may not actually state if they are friendly, aggressive or mysterious. It is by piecing a range of explicitly given information together that we can make our own connections and understand text at a deeper level.

The comprehension of non-fiction text is different yet again. Students need to develop competence in 'reading' images, tables and diagrams, and then forming links between these as well as a range of text features, to jointly create an overall, deeper understanding.

Next week, we will talk about how you can work on this at home.

### Reading - At the Heart of Home Study

At this week's parent information evenings parents will be introduced to the school's revised homework policy that focuses on Reading as being central to home study. Reading is arguably the corner-stone of all learning. Developing children to become proficient, confident, independent readers that have a love of text is crucial. Through reading quality texts, children are exposed to a vast vocabulary, an awareness of text structure, spelling conventions, a range of genre and author styles, themes, visual literacy as well as history's wealth of knowledge, wisdom and creativity. It is well understood that a broad vocabulary is one of the greatest indicators of both intelligence and future success. Through reading, children are provided with a far greater vocabulary than what we can provide for them alone.

**It is paramount that students are provided opportunities to read texts that they enjoy and are engaged with.** There are many resources available to draw from as well as a vast range of texts which we often do not consider as reading. Over the term, I will promote how this practice can be supported at home.

This year, we are shifting our focus in home study to acknowledge other learning that is present in the lives of our students but also centring reading as the focal learning habit to develop in these formative years.

Mr Stennett  
Literacy Coordinator

Dear Parents,

As we begin the year I would like to stress the importance of helping your child/children develop a positive attitude towards Mathematics. Some children find it difficult to solve Maths problems and therefore develop a negative mindset towards Mathematics which means they give up very quickly. We want students to develop a **growth mindset** towards learning Mathematics.

Mathematics introduces children to **concepts, skills and thinking strategies** that are **essential in everyday life** and support learning across the curriculum. Children delight in using Mathematics to solve a problem, especially when it leads them to an unexpected discovery or new connections. As their confidence grows, they look for patterns, use logical reasoning, suggest solutions and try out different approaches to problems. Mathematics offers children a powerful way of communicating.

They learn to explore and explain their ideas using symbols, diagrams and spoken and written language. They start to discover how Mathematics has developed over time and contributes to our economy, society and culture. Studying Mathematics stimulates curiosity, fosters creativity and equips children with the skills they need in life beyond school.

**Listed below are suggested ideas you could do at home to help your child engage in Mathematics.**

- Ask your child to start counting from a number other than one. This will help them when they need to add two groups together and can start counting from the larger group.
- Ask your child to tell you the number before or after a number. How old will you be next year? How old were you last year?
- Ask your child to give you enough plates, cups or cutlery for each person when setting the table.
- Play games such as Dominoes, Snakes and ladders, card games or board games involving dice with dot patterns. This will help your child to recognise patterns and count.
- Collect and sort shells/pebbles, etc. Count how many are in each group.
- Look at and say the numbers on license plates and road signs.
- Ask your child to help you count the pieces as you cut up food such as pie, quiche, fruit or sandwiches.
- Have your child help share out food to the family. How many slices will I need to cut the pizza into so that everyone has two slices?
- Ask your child to share out items fairly with others.
- Count the number of things in a collection such as items in a bag or a large jar of buttons. Ask your child if there is a quick and easy way of counting, eg. counting by tens, fives or twos.

**In the School Newsletters this year I will include a variety of Maths questions/ideas that your child could complete at their leisure. Please feel free to be involved in these activities. These questions/ideas might be targeted at Infants, Years 3 and 4 or Years 5 and 6 students. If you think the questions are not suitable for your child's stage, please do not hesitate to change the numbers to suit your child's level.**

**Mrs Arze Derjani**  
**Numeracy Coordinator**

This year we will be participating in the Coles Sports for School program. Through this program we will be able to get sports equipment for our school and all we need you to do is shop for your groceries at Coles.

**This promotion will run until Friday 11<sup>th</sup> May 2018.** Could we request that vouchers be cut up before placing them in box located in the office. Many thanks.

### **FEES ACCOUNT – FLEXI PAYMENT PLANS (FPP)**

**We have been advised by School Finance – Catholic Education Diocese of Parramatta, that parents will have the opportunity this year to take up the FPP offer online and by post. Forms should be returned, to Catholic Education Diocese of Parramatta, for processing by 9<sup>th</sup> March. Should parents not return these forms by the due, the family may receive a reminder notice.**

### **MEDICATION**

If your child requires medication during the day, e.g. antibiotics, please send a note to the office together with the medication, details of dosage and time to be administered. If medication is required for a period of 5 days or more, a form will be sent home for completion. Just a reminder that **NO MEDICATION** is to be in your child's school bag. All medication must be kept in the office as we need to record all medication given to students.

The School's First Aid Officer requires updated copies of all Asthma Management Plans and Anaphylaxis Action Plans so that we are prepared to help your child in case of an emergency.

Wednesday 28 <sup>th</sup> March	9:00 am	Easter raffle drawn
Monday 14 <sup>th</sup> May	7:00 pm	P&F Meeting

### Ice Block Stall

On Friday 16<sup>th</sup> February we held our first Ice block stall which was a great success. Thank you to all of the students who supported this fundraising stall.

Thank you also to **Melissa Azzopardi, Charlene Cutajar, Cheryl Morales, Narelle Sinclair and Fran Nouridine** for helping out on the day.

### Fruit Stall

**On Friday 2<sup>nd</sup> March we will be holding our annual fruit stall.**

Watermelon slices will cost 50c and orange quarters will be two for 50c.

The fruit will be cut by volunteers on the day and many hands make light work, so we would love your help if you have time to spare.

We will meet from 9:00am at the canteen. We have some spare knives and chopping boards but if you could bring your own that would be greatly appreciated.

### Easter Raffle

**Our annual Easter raffle will be happening again soon. In the next few weeks families will receive a book of raffle tickets and will be asked to donate an Easter egg, chocolate or gift which will be made up into prizes. Notes will be sent home shortly with your child.**

### Easter Wrapping

On Friday 23<sup>rd</sup> March the P&F will be wrapping prizes for the Easter Raffle. Volunteers would be greatly appreciated to help with this task. We would love to see new volunteers and experienced volunteers, anyone that can spare some time to help. You do not need to stay for the whole time, even if you can spare half an hour it all helps to get the task done quickly. We will meet in the LIBRARY from 12pm.

### P&F Meeting

The next P&F meeting will be held on **Friday 23rd March at 9:15am** in the staffroom. We hope everyone will come along and share their thoughts and ideas. Come and have a coffee and some morning tea, everyone is welcome. We look forward to seeing you there.

**On Monday 14<sup>th</sup> May at 7:00pm** we will be holding our first evening P&F meeting in the staffroom. We hope that this gives everyone who is unable to make our day time meeting the opportunity to attend a meeting. A decision will be made after this meeting, depending on number of attendees, whether this will be a regular occurrence. So come along for a chat and find out what is happening during the term, we would love to see you there.

### Clothing Pool

The clothing pool will be open for the **next two Fridays, 23rd February and Friday 2<sup>nd</sup> March at 8.30am to 9.15am** located in the old canteen, (near MPR entry). We will advise if the clothing pool will be opened weekly or fortnightly as we are trialling this during the next few weeks. We are in desperate need of any uniform items, summer or winter, in good condition. Please leave items at the school office.

Thank you. **Teneille Shaw & Maryanne Vella.**

### Staying In Touch

You can stay in touch with news and events, contribute your ideas and helpful contacts through our **“SJV Parents & Friends”** page on Facebook. We will soon have a P&F section in the SkoolBag App.
